Author(s) must read and sign the statements below about authorship responsibility and copyright transfer. In the case of an article having more than one author, the signature of one of the authors is sufficient, provided that the signing author understands that he or she is signing on behalf of all of the authors and that all the other authors understand that the signing author is acting as their proxy in signing the manuscript submission form.

1. The manuscript has not been previously published and is not currently under consideration for publication elsewhere, nor will the research reported be submitted for publication elsewhere until a final decision has been made as to its acceptability by Allergy Asthma Respir Dis.

2. The manuscript represents truthful and original work without fabrication, fraud, or plagiarism.

3. All authors have made an important scientific contribution to the study and are thoroughly familiar with the primary data. All authors have read the complete manuscript, take responsibility for the content and completeness of the manuscript, and understand that they share responsibility if the paper, or part of the paper, were found to be faulty or fraudulent.

4. This manuscript contains no violation of any existing copyright or other third-party right, and to the best of the authors’ knowledge, this work does not infringe the rights of others.

5. In case of the acceptance of the above work for publication, the author(s) assign(s) and transfer(s) to the Korean Academy of Pediatric Allergy and Respiratory Disease (KAPARD) / Korean Academy of Asthma, Allergy and Clinical Immunology (KAAACI) all rights, title, and interest in and to the copyright in the above-titled work.
